Your Event is our Priority – Commitment to Readiness

Ensuring your safety and well-being as you plan forward towards your meetings and events is our priority. In abiding by the guidelines set by the health authorities and WHO, all the required SOP's and protocols have been undertaken to ensure a clean and safe environment for you and your guests.

Our elevated sanitization procedures, adherence to modified meeting room capacities and maintaining standards at every touch point, assure a conducive environment as we embrace this new norm.

The following measures and procedures will be undertaken to ensure our commitment towards your memorable events:

- ✓ Prior to entering the hotel and function rooms, all guest must have their temperature taken and scan the My Sejahtera using their mobile phones. All guest must wear a mask before entering the hotel and function rooms.
- ✓ Function rooms will have a reduced and modified seating capacity according to social distancing guidelines
- ✓ The entrance and exit will follow a one-way route to minimize contact
- ✓ Registration records for guest entering the function rooms will be monitored
- ✓ Hand sanitizers will be placed at the entrance and exit of the function rooms
- ✓ Frequent sanitizing of the public areas, elevators and function rooms with extra attention to the door handles, counters and tables
- ✓ Curated menus with healthy options, assisted buffet or plated set menus tailored to the guest size.
